Affordable 4 bdr Home in Fairfield

1992 Zebra Design showcasing form and function throughout. It's a 1/2 duplex but it stands alone as a single 4 bdr home. 3 bedrooms up for the family and a revenue or in-law suite below with a separate entrance. This home is designed to be space and energy efficient. Stylish accents like new appliances, granite counters, birds eye maple cabinets, polished cork flooring, pot lights and several patios to catch the sunlight in privacy. I don't have to tell you; this location is fabulous! Just a short walk to Ross Bay and the entire Dallas Rd Waterfront. Along the way, visit green spaces and grab a coffee then groceries on your way back..usually at one of the artisan markets on weekends. If you're dying to move to Fairfield, this has got to be one of the most affordable 4 bdr homes you will see in this area. Everything you will need is so close by. You should be here too! laborum.
