

4 Beds, 3 Baths - 2,498 sq ft - \$635,000

Enjoy a spacious backyard featuring an extended lanai and private hot tub--plus ample room to add a pool. The thoughtfully designed floor plan includes a convenient downstairs guest suite with a full bath. A custom drop zone just off the garage is ideal for busy households. The kitchen is enhanced with a gas cooktop, separate oven and microwave, and a stylish backsplash. The family room offers a cozy fireplace accented by custom wood trim. Elevated finishes like oversized baseboards and detailed trim around doors and windows add elegance throughout the main level. Upstairs, the expansive primary suite features a spa-inspired bathroom. A large loft provides flexible space for a second living area, along with two additional bedrooms and a full bath with double sinks. Additional upgrades include a 240V Level 2 EV outlet in the garage, water softener, upgraded lighting laundry room cabinets.
