

5 Beds, 4 Baths - 3,813 sq ft

Boasting 5 bedrooms, 4.5 baths, two private office suites, and an expansive loft, this home is thoughtfully designed to accommodate both refined entertaining and everyday comfort. Step outside to your private oasis with stunning saltwater pool and spa (installed in 2022), measuring 15x30 with a 7x7 heated spa. Framed by exquisite Diana Royal leathered marble decking and a screened enclosure, the serene water views create a tranquil backdrop making every day feel like a luxury retreat. The home is further enhanced by solar panels, offering remarkable energy efficiency and impressively low utility costs. The main level features three additional bedrooms, while the upper level hosts a generous loft, an additional bedroom, and a full bath, perfect for guests or multigenerational living. Refined upgrades abound, including luxury vinyl plank flooring, elegant decorative panel shutters, designer lighting throughout, and a reverse osmosis water filtration system in the kitchen.
