

4 Beds, 3 Baths - 2,504 sq ft - \$585,000

Thoughtfully designed with both elegance and functionality in mind, the spacious open floor plan showcases tranquil preserve views from the owner's retreat, creating a peaceful sanctuary to begin and end each day. Rich hardwood flooring flows throughout the main living areas and private office, while a whole-house generator provides added comfort and peace of mind. At the heart of the home is a spectacular chef's kitchen featuring premium cabinetry with abundant storage, gleaming quartz countertops, stainless steel appliances, and an oversized layout designed for effortless entertaining and everyday living. The kitchen seamlessly opens to the inviting family room with a cozy fireplace and an elegant dining area, creating the perfect gathering space for family and guests. Walls of sliding glass doors extend the living space outdoors to an oversized covered lanai overlooking the expansive, private backyard. With ample room to design your dream resort-style pool and outdoor oasis.
