Acton, MA

4 Beds, 2.5 Baths - 2,432 sq ft - $899,000

Just in time for the holidays! You can move right into this warm, spacious 4 bedroom, 2.5 bath traditional colonial with finished walk-out lower level and 2 car garage tucked into an established popular east Acton neighborhood Enjoy the bright, updated quality wood dine-in kitchen with expansive island, an abundance of storage and natural light streaming in through the large rear picture window. The floor plan flows throughout the main level from entryway to the kitchen, to the formal front dining room, or to the front to back living room with fireplace and built-ins. Spend hours relaxing or entertaining in the year round sunroom which provides access to a large deck and serene treelined back yard. You'll appreciate the exposed hardwood floors throughout the main living areas and bedrooms. Four spacious bedrooms are all on the second floor, along with a main bath and an updated bathroom with tiled shower in the spacious primary bedroom which boasts a wall of closets. 3D tour available!
