Walworth, WI

2 BRs, 1 Bath - 1,641 SF - \$315,000 - www.walworthhome.com

Beautiful, Affordable! This 2 Bedroom, 1 Bath home with 1.5 Car Garage and storage/entertainment shed is set on .25 acres in the heart of Walworth and has been fully remodeled so all you have to do is move in and enjoy all of the many updates and the great location! You will love the new kitchen with new cabinets, new butcher block countertops, sleek, new, apron front tub sink, LVP Flooring and new Stainless Steel GE appliances that leads to a large, Formal Dining Room and spacious Living Room which both open to the Family Room with stone Fireplace with raised hearth. The Main Level has new, LVP flooring and the Upper Level features refinished wood floors, a big primary Bedroom with 2 closets (including a huge Walk-In Closet), BR2 with a newly enlarged closet and a roomy full bath. In addition, the electrical service, water/drain lines, baseboard/shoe and many of the lighting fixtures have been replaced, additional attic insulation was added and the home's interior has been freshly painted. The Lower Level has a Rec Room that could be updated for more living space. Such a beautiful house at an affordable price...the only question is will you be quick enough to be the lucky new owner
