

1100 WILSHIRE BLVD.

Los Angeles, CA

1 Beds, 1 Bath - 690 sq ft - \$488,888

Elevate your city living at 1100 Wilshire #1810—a modern urban retreat where sweeping DTLA skyline views greet you the moment you walk in. Soaring windows flood the open living and dining area with light, creating the perfect backdrop for entertaining or quiet evenings at home. The sleek kitchen with stainless-steel appliances, gas range, and granite counters makes cooking a joy, while the private bedroom retreat and spacious bath offer a calming escape from the city buzz. Practical perks make life even easier: in-unit laundry, two parking spaces, and the rare convenience of a same-floor storage unit. Step outside your door to indulge in resort-style amenities—sip cocktails by the skydeck infinity pool, unwind in the spa or cabanas, gather with friends around the fire pit, or stay active in the fitness center. Set in the heart of Downtown, just minutes from LA Live, The Bloc, and the Financial District, this is more than a home—it's your gateway to the city.
