

6515 134TH PL SE

Snohomish, WA

2 Beds, 2 Baths - 1,082 sq ft - \$450,000

Welcome to the exquisite "20," where luxury living meets convenience. This exceptional top floor end unit boasts 2 bedrooms and 2 bathrooms, offering a serene and private retreat. With no neighbors above, you'll relish in the dramatic high ceilings that create a spacious and airy ambiance throughout. The open kitchen, complete with an inviting eating bar, ensuring a seamless transition into your new home. The master bedroom is a true sanctuary, featuring a well-appointed bathroom and an expansive walk-in closet that caters to your storage needs. Convenience is paramount with a secure 1-car garage offering direct access to your home, providing ease and peace of mind. An additional parking spot in front of the unit and ample open parking across the driveway cater to the needs of both residents and guests.
