

## BIG VIEW CABIN IN JACKSON HOLE

Life as it should be in Jackson Hole--This big view Jackson Hole cabin delivers the full Wyoming fantasy from one of the most coveted in-town locations available. Vaulted beamed ceilings, large windows, and an open-concept layout frame elevated views stretching from the National Elk Refuge all the way to Yellowstone with filtered Teton glimpses at just the right angle. The wood-burning stove, full-length entertaining deck, and private hot tub make every season irresistible. Three bedrooms, three bathrooms, a spa-worthy master suite, and trail access to public lands right outside your door. Morning coffee in town is a short e-bike ride away. Jackson Hole, exactly as it should be. Join The Trinity Team for a tour of this Charming Big View Mountain Cabin in Beautiful Jackson Hole!
