

34284 N SANDPIPER TRL, QUEEN CREEK

Experience modern luxury in this meticulously maintained single-level home in the heart of Queen Creek. This upgraded residence features a chef-inspired quartz waterfall-island kitchen with premium KitchenAid appliances, an open concept layout, 3 spacious bedrooms, a private den, and a large flex/hobby room. The spa-style primary suite includes a designer walk-in shower and impressive closet. A 3-car garage with custom cabinetry and epoxy flooring adds functionality, while the resort-inspired backyard showcases mountain views, artificial turf, a putting green, and a fully tiled fireplace lounge. Move-in ready and crafted for premium comfort inside and out.
