

2201 N CENTRAL AVE

Phoenix, AZ

2 Beds, 2 Baths - 1,250 sq ft - \$385,000

Experience refined urban living in this beautifully restored Mid-Century Modern condo at 2201 N Central Ave APT 5B, located in the heart of Midtown Phoenix. Designed by renowned architect Ralph C. Harris and built by Del Webb, this residence captures timeless 1950s character with thoughtful 2010 updates, including a custom melted-glass countertop, solar shades, and an ultra-plush Murphy bed. All-inclusive monthly fees cover utilities, HVAC, electric, cable, taxes, security, and more, offering unmatched value in Phoenix's vibrant core. Enjoy breathtaking city and mountain views, a heated pool, rooftop lounge, extra storage, and two rare underground parking spaces. Perfect for buyers seeking historic charm, turnkey comfort, and premium amenities minutes from premier dining and entertainment.
