

13826 E GAIL RD, SCOTTSDALE

Experience elevated Scottsdale living in this stunning single-level home offering panoramic mountain and city light views from nearly every room. Situated on a private ~ acre lot, this 4-bedroom + office, 2.5-bath residence features a desirable split floorplan, soaring 10' ceilings, and refined modern finishes throughout. The chef's kitchen impresses with porcelain slab countertops, a 5-burner gas cooktop, and a frameless glass view window, while the great room showcases a curved architectural wall, LED fireplace, and expansive glass slider. Step outside to a resort-style backyard complete with a heated pool, spa, pergola with outdoor kitchen, and gas fire pit perfect for entertaining. A rare blend of privacy, luxury, and breathtaking views in Scottsdale.
