

16480 W CULVER STREET, GOODYEAR

Highly upgraded two-story home offering modern finishes, spacious living areas, and everyday convenience. Featuring no carpet, upgraded flooring throughout, Brazilian granite countertops, and updated appliances, this home is designed for both style and functionality. The flexible layout includes a bonus room with French doors, loft with reading nook, and ample storage, perfect for today's lifestyle. Located near parks, walking trails, and major shopping like Walmart and Fry's within 2 miles, this property stands out for its move-in-ready condition and prime location in Goodyear.
