

25769 W WATKINS STREET, BUCKEYE

Beautifully maintained 4-bedroom, 2-bath single-story home offering 1,903 square feet of thoughtfully designed living space. Built in 2018, this open-concept floor plan features a bright kitchen with white quartz countertops, white cabinetry, pantry, and upgraded lighting. The flexible fourth bedroom is ideal for a home office or den. Outside, enjoy a professionally finished backyard complete with pavers, artificial turf, and a custom playset. Conveniently located near shopping, dining, and quick highway access, this move-in-ready Buckeye home offers comfort, style, and everyday convenience.
