

4068 FLAGSTONE DRIVE

Lancaster, SC

5 Beds, 4 Full, 2 Half Baths - 6,076 sq ft - \$1,275,000

A masterclass in craftsmanship and design, this custom-built estate by Colton Builders is a rare offering where architectural elegance meets modern refinement. Privately set against a serene natural backdrop with direct access to a pond, the home unfolds across three impeccably designed levels, each curated with an uncompromising attention to detail. The arrival experience is striking. A 2-story grand foyer introduces the main level with soaring 10-foot ceilings, luminous interiors, and the rich warmth of Brazilian Tigerwood floors underfoot. Natural light filters through Pella casement windows dressed in Bermuda shutters, casting a soft glow across intricate millwork, solid wood doors, and bespoke architectural details that define the home's timeless character.
