

6 Beds, 5 Baths - 5,800 sq ft - \$1,100,000

This is your dream home when a substitute won't do. Outstanding Courtyard home with private pool on a premiere golf course lot. The upgraded executive kitchen has enough space for two sous chefs with a center island as big as some kitchen tables. The Primary Suite is super large with wood floors and the Master Bath also has upgraded Cabinets. There are two other bedroom suites on the first floor for your flexibility of use. The two story family room is perfectly situated to interact with the kitchen, formal dining room and has perfect views of inground pool and golf course. The private office has hardwood floors and custom sliding doors. The courtyard area offers the space and privacy for whatever you can imagine. Second floor provides 3 bedrooms, 2 baths, game room and media room.
