

4 Beds, 2 Baths - 1,787 sq ft - Starting at \$294,900

Discover the perfect blend of comfort and style in the Azalea floorplan by Breeze Homes. This stunning two-story home offers 1,787 sq. ft. of thoughtfully designed living space, featuring 4 spacious bedrooms and 2.5 baths. The main floor boasts a luxurious master suite, providing convenience and accessibility, while the open-concept living area is ideal for entertaining. The kitchen is well equipped, complete with granite countertops, a full appliance suite, and plenty of storage space. Enjoy the elegance of wood-look tile throughout the main living areas and the cozy comfort of carpeted bedrooms. With peace of mind from the builder warranty and closing cost assistance available, moving into your dream home has never been easier. Schedule your tour today and experience the Azalea floorplan firsthand!
