466 EAST ST #18A

Plainville, CT

1 Bed, 1 Bath - 908 sq ft

Welcome to 466 East St, Unit 18A! This bright END UNIT townhouse gives you extra privacy, more natural light, and a low monthly condo fee. Owning here can cost less than renting. The main level has an easy, open flow. The kitchen opens to a dining area with a slider to your private deck, and the living room gives you a cozy place to unwind at the end of the day. Upstairs you'll find the bedroom, a full bath, and a flexible bonus room. Use it as a home office, guest room, hobby room, or a second bedroom if you need one. You'll never run short on space. The basement gives you room for storage, a home gym, or a workshop. The garage adds a loft-style storage area for seasonal items and gear. Other features include in-unit washer and dryer, efficient natural gas heat, air conditioning, and a NEW water heater. The location is hard to beat. Norton Park is just minutes away, with 78 acres of walking paths, sports fields, a playground, a skate park, and a summer town pool.
