

7590 OBSIDIAN ROAD

Teton Village, WY

2 Beds, 2.5 Baths - 2,207 sq ft - \$6,600,000

Blending an exceptional location with inviting and cozy living areas, this cabin provides unparalleled slope-side convenience, making it the perfect retreat. The heart of the home features an open-concept great room, where vaulted ceilings, a striking stone fireplace, and a generous kitchen and dining room with a casual dining bar create a warm ambiance. The lower level offers a private bedroom wing featuring a primary suite, an additional bedroom and bath, and terrace access for peaceful mountain views. Step out onto the expansive deck screened by beautiful mature pine trees to relax in the spa and simply enjoy the serenity. Located in the heart of Teton Village, the cabin is a short stroll from the renowned Four Seasons Resort, fine dining, shopping and recreation at Jackson Hole Mountain Resort. Whether you're ice skating in winter, enjoying summer concerts, or exploring the trails of Grand Teton National Park, this home puts year-round adventure at your doorstep.
