

102 PALISADE AVE

Jersey City, NJ

2 Beds, 1 Bath - \$537,500

Discover sophisticated urban living in this stunning garden-level condominium. This meticulously designed 2-bedroom, 1-bathroom residence offers an unparalleled blend of modern luxury and comfort. Step into a chef's dream kitchen, featuring top-of-the-line Samsung appliances, a breathtaking waterfall center island, and exquisite two-tone cabinetry adorned with under-the-counter lighting. Throughout the home, you'll find a consistent theme of refined style, crisp white accents, and designer lighting. The open living, dining, and kitchen area is washed with natural light from multiple East, Northeast, and South-facing windows, creating a bright and inviting ambiance. The primary bedroom is a true retreat. The second bedroom and den offer flexible use for today's buyer. The bathroom features a modern lit and anti-fog mirror, adding both style and functionality. Venture outside to your private courtyard with partial NYC views, a rare retreat for relaxing, dining, and morning coffee.
