

726 SOMONAUK ST

Sycamore, IL

5 Beds, 3 Baths - 2,980 sq ft - \$860,000

Some homes are built. Others are crafted. Nestled among mature trees in the heart of Sycamore, this custom Craftsman estate blends timeless design with modern sustainability through geothermal heating, solar power, battery backup, and handcrafted architectural details. Rich in local history and thoughtfully designed for everyday living, this is a home you'll experience long before you ever move in.
